Queen of Hearts

We are starting up the Queen of Hearts again. This fundraiser is very successful for the lodge and we want to continue the fun as we use up the entire license. Remember, this is helping pay for all the new golf carts and would like to pay them off faster. The committee and I ask that each member buy or sell at least \$10 per week. IF every member bought or sold 10 tickets, we could generate a total pot of at least \$117,600 in the next 12 weeks, with the winner getting approximately \$60,000, depending on expenses and other card payouts. Come on Elks, I know we can do it.

Support Ronald Mcdonald House Charities Detroit- Children's Hospital
help us fill our 3rd house. please bring can tabs into Social Quarters Bar
