Exalted Ruler's Message

Happy April, Happy Spring and hopefully good-bye Ol' Man Winter. Yes, and a Happy New Year in Elkdom. April means it is a new fiscal year for our lodge and the start of my tenure as your New ER. I can't thank enough PER Gary Nesbitt what a wonderful job he and his officer corps has done over the last two years. The board has strived to provide continuity, structure and a balanced budget over the past few years, in order to

keep us a great, strong and viable lodge to be a part of. Gary has put his blood, sweat, tears, heart and soul into this place ever since I became a member of the lodge and the board. I will have a very tough time filling his shoes. Be sure to thank Gary for all he has done for the betterment of our lodge.

For those who do not know me yet, I am a lifelong resident in the Blue Water area along with my high school sweetheart wife, Tami. We have three grown married children which have each given us a wonderful grandchild, with another one on the way this summer. Grandchildren are the best. They can put smiles on your face and light up a room when you need it most. I attended Michigan Tech University where I received my bachelor's in mechanical engineering. I have worked most of my 38-year career in the rubber and plastics automotive industry. I currently work at US Farathane in Auburn Hills as a Senior Program Manager.

As hopefully you know by now, we have had some changes in staffing over the past few months. Emerson Putnam has joined as General Manager, Brandon Archibald is our new golf pro, and Stephanie Darczy-Johnson is our new bookkeeper. Please continue to welcome and support these new personnel as they embark on their new roles here. I am looking forward to working with each of them to have a great 2025/2026. Big thank you's to Carmella Robbins for what she has done in the business office and Jeff Bassett for being our Pro Shop Manager.

We have a few new officers joining the board for the upcoming year. Andrew Kroetsch – Lecturing Knight, Tim Meikle – Loyal Knight, Fred Massad – Esquire and Mike Halifax as Inner Guard. Lisa Haremza is the Leading Knight and Don Allen is now a Trustee. Penny Osburn is returning as Tiler, while Dave Vandenbossche is now on the Accounting and Audit Committee. I want to thank Shawn Eagle and John Woolman IV for all they have done over the past few years. Each of these fine gentlemen have contributed a lot to the lodge and will continue to do as much as they can as time will allow. Like me, they still have day jobs too.

Our Queen of Hearts is off to a great start thanks to Gerry Goodwin and Lisa Haremza and their team. We are running a little behind pace of a couple past yearly drawings, so we need the entire lodge to step up help to promote and sell tickets. This year's drive is going towards paying for the new fleet of golf carts purchased this year. If every lodge member sold just 10 tickets a week, we could put almost \$10,000 a week towards that goal. We are averaging just under 3,000 tickets sold per week.

The social quarters and events committee are alive and kicking with some new events throughout the winter and spring and reviving some old ones from years past. Potluck Sundays, putt putt golf, Spam Fest, Comedy show to name a few. Thanks to Scott Perkins and his crew for reminding us "newbies" of these past events and rekindling them. Please continue to support these events so the committees can continue and plan future events. If you have an idea, bring it to the committee

and work with them to help plan it. They are always looking for new ideas. As we have traveled to other lodges during our "Let's GO Elkin" trips, we pay close attention to what events they have going in their lodges. The comedy show was another huge success as it was sold out. Planning events like these take a lot of work and we need to get them on our calendars and the calendars of any performers we bring in from the outside. Some of them are already booked a year in advance. So even if we can't do something right away, we can investigate, plan and determine the best time to book them. I have heard some rumblings there will be music nights this summer along with a car show in the parking lot. They are very early in the planning stages, so stay tuned.

Speaking of committees, this lodge has about 40 different committees that plan events, raise funds, keep the lodge looking great and lifting spirits. Our lodge has initiated quite a few new members over the past few months. During the introduction of themselves, many of the initiates stated they would like to get more involved and give back to the community. To our new initiates, reach out to a committee chair or member to see how you can help. Committee Chairs are listed on our board and in the Lodge office upstairs. To our chairs and committee members, reach out to a new member, give them a warm welcome and see if they would like to join your committee. I think sometimes a person wants to feel needed and with a warm, friendly invite, it may be just the nudge they need. Remember, "many hands make light work."

Golf is just around the corner. See all the different sign ups for leagues in this month's Expositor. I know Gary and Laura Nesbitt are working hard on another fun filled great season for the couple's league. Sign up early for all the leagues, so the league officers know who is returning and can plan accordingly. This will also help Brandon in the pro shop.

In closing, I want to thank you all for entrusting me to be your next ER. I welcome your continued and fine support you gave Gary and Gerry over the last 4 years. As they both have written in many recent articles, we are a TEAM here at PH Elks Lodge #343. Let's continue in this fashion and keep our boats rowing together into the wind and not against the wind. May we continue to ever practice our cardinal principles of Charity, Justice, Brotherly Love and Fidelity. When we work as a TEAM, "We're Better Together"

Fraternally yours,
John Cuthbertson, Exalted Ruler

Queen of Hearts! Friday Nights at 7pm

The Queen of Hearts remains in hiding through March 7, 2025. The 7th ticket was drawn on February 21, 2025. Kelle Wood selected envelope 33, containing the King of Spades and paying \$100. Richard Doan's ticket was drawn on February 28, 2025. He selected envelope 16, containing the 9 of Clubs and paying \$100. Jehuu Caulcrick's (CJ) ticket was drawn on March 7, 2025. He selected envelope 54, containing the Queen of Diamonds and paying \$250.

We have now reached the top bracket, paying number cards at \$100, face cards at \$250, Aces at \$500, and Jokers at \$1000. The Queen of Hearts would pay the jackpot reached for the current week of drawing. If the Queen of Hearts remains in hiding through March, the projected Jackpot should reach eighteen to twenty thousand dollars to begin April. This important fundraiser allows the Port Huron Elks Lodge 343 to continue to grow, meet the needs of the lodge and provide continued support to the community around us. A heartfelt acknowledgment to all ticket sellers for giving of your countless hours of volunteer work selling tickets to our members and community. As spring is upon us, please come out to the drawing on Friday nights between 7 p.m. and 7:45 p.m. We have a creative dinner menu with Friday night specials that are just mouthwatering, and the beverages are cold and delicious. So please come out and support the Port Huron Elks Lodge 343.

A Message from Brandon Archibald, Head Golf Professional

Hello Elk Members! I am excited to welcome everyone back for another great season at Port Huron Elks Lodge 343! We have a fantastic team returning to serving our members and guests. I am thrilled to have Maddy Blum back on board as the Assistant Golf Professional, continuing to be a key part of our golf operations. Emily Verbeke returns as our Golf Shop Manager, bringing her organization and expertise to enhance your shopping and golf experience. Additionally, Cody Fisher has stepped into the role of Outside Services Manager, where he will oversee outside operations and ensure top-tier service on and around the course. With this team in place, we are set up for an exciting and successful year.

We have some great events lined up to kick off the season, and I encourage everyone to participate! Our Opening Day Scramble on May 4 is the perfect way to start the year with some friendly competition. Then, if you are up for a challenge, the Hardest Day in Golf on May 18 will evaluate your game like never before. Finally, the always-entertaining Divorce Open on May 25 promises a fun format and plenty of laughs. Be sure to sign up early, as these events tend to fill quickly!

As a reminder, the driving range is limited to 150 yards to protect players on Hole #9 and, most importantly, our neighbors behind the range. Anyone not following this rule risks losing range privileges. Also, we are excited to introduce our brand-new fleet of Yamaha golf carts this season! These carts are faster than our previous fleet, so please drive responsibly and treat them with care to keep them in great shape for years to come. I am looking forward to a great season and cannot wait to see everyone around the Lodge and on the course!
