## Lodge Hours Update

As we move into the winter months, please be sure to watch for postings of Winter Hours for when the lodge will be open. We will be modifying Lodge open hours to be fiscally conscious during our slow time of the year. The lodge has some large financial decisions to make about current infrastructure needs. For example, the sewer system needs attention, air conditioning in banquet room needs updating, rotting windows need to be replaced, just to name a few. The Board of Directors are looking at ways to tackle these items, but we will need the full support of the Lodge in getting these items and others updated. There will be fundraisers and lodge events that will need the support of ALL lodge members. Please do your best to support these events throughout the winter. If there are any members who may be looking for a good tax deduction for the year and would like to donate to the lodge in support of these renovation updates, please contact the ER, Lodge Secretary, Lodge Treasurer or Chairman of the Board. Every little bit will help as we move forward to getting our lodge up to date.

## Exalted Ruler's Message

Hello brothers and sisters.

Wow, it's November already and the Golf Season has ended. We know the white stuff is coming and just around the corner. November brings so much to be thankful for including remembering our Veteran's on Veteran's Day and all our blessings for food and family and to be Americans as Thanksgiving Day is just around the corner.

Fall State Convention was held at Soaring Eagle Casino this year. We represented our Lodge well with 11 members from our Lodge attending. Our Pink Piggy Bank Drive yielded \$1,000 for the Special Needs Kids. Thank you PH Lodge 343 for all your donations to this cause. It made me proud to be able to deliver this size of a check to the State Committee Chair. The Pink Piggy bank collection runs all year round, so continue to support this cause.

November starts off with the last tournament of the season, "The Chili Open." Comedy Show is on November 15th. The Arts and Crafts Show is on November 22. The Comedy Show sold out last year so get your tickets early. I see Name that Tune is coming. Get a your team together and join the fun.

The Board of Directors have started meeting to review and deep dive into infrastructure issues which need to be dealt with in the very near future. Sewer lines, windows, HVAC in the large ballroom to name a few. The golf course needs some erosion control to stop the erosion around the ponds. The course needs tree removal to improve grass growth and removal of dead trees. Other course management operations like root pruning is needed to improve fairway and rough conditions. None of these are small ticket items and our Board will be needing all ideas to help raise the funds for these items and be fiscally responsible in getting the items completed.

I would like to thank Gerry Goodwin, PER again for spearheading the organization of getting donations in support of the family which was tragically stricken with domestic violence in Port Huron. A presentation was made to the family before our October 27, 2025 Lodge meeting. Again, I am extremely grateful for the generosity of our members and the surrounding community which stepped up and stopped by with donations.

In closing, as we move deeper into the fall season and the beginning of the holiday season, let's continue to keep the family of Port Huron in our thoughts and prayers and remember our cardinal principles of Charity, Justice, Brotherly Love, and Fidelity.

REMEMBER YESTERDAY, ENJOY TODAY AND PLAN FOR TOMORROW.

Fraternally yours,  
John Cuthbertson, Exalted Ruler

## DVC/DVP Visit

On September 29th we welcomed Mike Bartolotta, State President, (filling in for Rich Wlosinski Metro District DVP) and Grant Smith Metro District DVC for our annual DVP/DVC visit and lodge review. It was a well attended meeting by or lodge officers with good discussion and exchange of ideas. On October 27th, we welcomed Scott R Harris, DDGER and Paul Torres, Grand Lodge Auditor to review Lodge financial practices, Lodge membership status and other Elkdom criteria. A big thank you to all the staff, members and officers for all you do help make these meetings go smoothly.

## Thank you to our Port Huron Elks Lodge 343 Flower Committee.

It was another great year with our beautiful landscaping, placements & the selections of all the flowers. The committee was a little scattered for the annual fall clean up, but it takes a village and they have been hard at it. We are fortunate to have such a grand bunch of women who take care of our grounds all year long.

Thank you to long time committee chair Shelley Murdick, co-chair Lynn Burgett, Sally Patterson, Jo Eisen, Judy Hills, Mary Russell, Jane Dennis, Karen Barber, Linda Kemp, Gloria Traub & Susan Repp. Another thank you to Shelley Murdick who took it upon herself to put a coat of stain on the salt box & the Marion Evans memorial bench near the main entrance way. Great job ladies!

## Swear Jar Drive

Hey Elks, The Swear Jar has been implemented for a couple of reasons: 1) To have a little fun with your fellow brothers and sisters while you're at the lodge and 2) Raise a little money for our charitable funds. Initially, we plan to give the first collection to the Children's Christmas party. From there it will be Dollars for Scholars. We are striving to make the lodge a family friendly environment especially as we have children's events coming up along with other events. We want to encourage members to be able to bring families to the lodge for dinner and other activities, so we need to maintain a family friendly atmosphere. So, let's be accountable, raise some money and have a little fun while doing it.

## Why is November 11, 1918, so important?

It is the Armistice for World War I and was signed at the 11th hour of the 11th day of the 11th month of the 18th year of 1900 on November 11, 1918, at that moment the guns of World War I went silent. We are the Land of the Free, because of you, the BRAVE and we thank each one of our nations Veterans for their service and the sacrifice. From Valley Forge to Vietnam, from Kuwait to Kandahar, from Berlin to Korea to Baghdad, our Veterans have borne the costs of America's wars, and they have stood watch over America's peace. We are all humbled and grateful to the Veterans and all who have fought for our freedom. Those who live today remember those who do not. Those of us who know freedom, remember this date for those who gave up life for freedom. On Monday, November 11, 2024, we will honor our dead, we will conduct ceremonies, we will lay wreaths and dignitaries will speak words of tribute to our fallen Hero's and our Veterans alive today. In our memories, in our hearts, we hold them close to us still. We all have family members who fought bravely to protect us and our nation. Yet we also know, even as their families knew when they last looked upon them, that we can keep them in our thoughts, though they can never be fully ours again, for they now belong to our God and to that for which they so selflessly made a final and eternal act of devotion. Even if they were not our own, we should not forget them. For all time, they are what we can only aspire to be, giving, unselfish, the epitome of human love, to lay down one's life so that others might live. In our mind's eye, we see young Americans going off to war to some foreign land to fight for us. We think of them now, with love, with devotion, and with faith. The certainty that what they fought and may have died for was worthy of their sacrifice, faith in God and in the Nation that has pledged itself to His work and to the dream of human freedom, and for a nation, that today and always pledges itself to their eternal memory. I urge all of you, to go up to those BRAVE men and women and shake a hand, give a hug, and give a word of thanks.

I ask you to consider volunteering at a Veteran's hospital or a nursing home. I encourage you to work with your local Veterans' group to help support our troops in the field and their families here at home. We honor those that followed in a great tradition, a tradition handed down to them by America's Veterans. In public ceremonies and in private prayer, we give thanks to these BRAVE men and women for the freedom we enjoy because of their willingness to serve. We should always honor those who have set such a brave example, our nation's Veterans the TRUE American hero's. May God bless our Veterans, and all who wear the uniform and may God continue to bless all of us.

In honor of Veterans Day and our local Veterans, the Port Huron Elks Lodge 343 in conjunction Elks National Veterans Service Commission (ENVSC) will be holding a Free Hot Dog Roast on Thursday, November 12th starting at 9:00 am in front of the Yale Veterans Clinic. All Veterans, Spouses, active Military and First Responders are invited to stop by, for free Hot Dogs, Condiments, Chips, Cookies, and Beverages, we'd love to hear your story.
